

## **Program Fellow, Population Education**

**General Description:** Population Connection, a national nonprofit organization working to educate the public about population and related environmental, economic and social issues, seeks candidates for a fellowship for its Population Education Program, January - July 2019. The Program Fellow works as part of a dynamic team to assist in administering our annual student video contest, curriculum development, web site updates, preparing and presenting teacher education workshops, and other program activities as needed. Some travel required. Detailed information about the Population Education Program can be found at [www.populationeducation.org](http://www.populationeducation.org).

Applicants should have a demonstrated interest in environmental and human population issues and K-12 education. B.A. or B.S. required. Teaching and/or other presentation experience preferred.

Compensation: \$22/hour (\$1,650/pay period), health and dental coverage, vacation/sick leave.

Send cover letter and resume to: Population Education Fellowship, Population Connection, 2120 L St., NW, Suite 500, Washington, DC 20037; fax: 202-332-2302; email: [fellowships@popconnect.org](mailto:fellowships@popconnect.org).
