

## Student Engagement Fellowship

**General Description:** Population Connection, a national nonprofit organization working to educate the public about population and related environmental, economic and social issues, seeks candidates for a 6-month, paid fellowship for its Population Education Program, January – June, 2023.

This position will help coordinate our annual, international student video contest for grades 6-12. Now in its 12<sup>th</sup> year, the *World of 8 Billion* contest asks students to create short videos explaining how population growth impacts one of three global challenges and offering an idea for a sustainable solution. The topics for the 2023 contest are: climate change, gender equality, and waste. More information about the contest can be found at [www.worldof8billion.org/](http://www.worldof8billion.org/).

Fellowship responsibilities include:

- Outreach marketing (video submissions are due late February)
- Creating and revising content for the contest website, including blogs
- Communication with teachers and students about the contest
- Coordinating judging by staff and recruiting and managing guest judges
- Interviewing student winners and writing up their comments for the contest website
- Administrating the awards process, including preparing certificates, writing letters to winners, and coordinating prizes
- Working with press consultants once winners are determined in late spring

The Student Engagement Fellow is also responsible for creating and posting content on the PopEd Facebook and Twitter pages, with support from other PopEd staff. The Fellow will work as part of a dynamic team on other program activities as needed, including writing blogs and supporting educational workshops/webinars. Detailed information about the Population Education Program can be found at [www.populationeducation.org](http://www.populationeducation.org).

**Requirements:** Applicants should have a demonstrated interest in environmental and human population issues and K-12 education, and strong writing skills. B.A. or B.S. required.

**Compensation:** Bi-weekly stipend of \$1,950 before taxes—equivalent to \$26/hr. or \$50,700, if calculated annually. Generous benefits package including paid holidays, annual and sick leave, low premium health/dental insurance coverage, and 6% 401k match with immediate vesting.

**Location:** The Population Education Program team is based in Washington, DC and currently works on a hybrid schedule (2 days in the office; 3 at home).

**Application Instructions:** Send resume and cover letter to: [jobs@popconnect.org](mailto:jobs@popconnect.org).

Population Connection is an Equal Opportunity Employer. A full statement on the organization's commitment to EOE and Diversity, Equity and Inclusion (DEI) and be found [here](#).
