

## Population Education Curriculum Fellowship

**General Description:** Population Connection, a national nonprofit organization working to educate the public about population and related environmental, economic and social issues, seeks candidates for a 6-month fellowship for its Population Education Program, starting in September 2023. This position will focus on developing and editing new and updated lesson plans for our websites and teacher workshops.

The Fellow will work as part of a dynamic team on other program activities as needed, including writing blogs and assisting with volunteer recruitment. Detailed information about the Population Education Program can be found at [www.populationeducation.org](http://www.populationeducation.org).

**Requirements:** Applicants should have a demonstrated interest in environmental and human population issues and K-12 education, and strong writing skills. B.A. or B.S. required. Teaching experience strongly preferred.

**Compensation:** \$26/hour (\$1,950/pay period, before taxes) plus competitive benefits package.

**Location:** The Population Education Program team is based in Washington, DC and currently works a hybrid schedule (2 days in the office; 3 at home).

**Application Instructions:** Send resume and cover letter to: [jobs@popconnect.org](mailto:jobs@popconnect.org). Note: Cover letters are required.

Population Connection is an Equal Opportunity Employer. A full statement on the organization's commitment to EOE and Diversity, Equity and Inclusion (DEI) and be found [here](#).
